

The background image shows the interior of a museum. On the left, several long, dark wooden spears with metal tips and tassels are leaning against a wall. The walls are a light, neutral color. There are four windows: two small, round, six-paned windows near the ceiling, and two larger, rectangular, twelve-paned windows below them. The windows look out onto a green, wooded area. The floor is made of large, grey stone tiles.

CHESA Planta[®] SAMEDAN

Posa d'inviern Winterruhe

LA CHESA PLANTA SAMEDAN FO LA POSA D'INVIERN.

NUS ANS ALLEGRAINS GIÀ UOSSA DARCHO SÜLLA STED CHI VAIN CUN NOS NOUV
